8 High Street, Winchcombe, Cheltenham, Glos GL54 5HT

Ashleworth Show 2023

Entertainments

The Show will feature a wide variety of entertainments throughout the afternoon, with the gates opening at 1:30 and starting at 2pm.

The events will consist of:

The Main Act (to be confirmed)

Fun Dog Event

Live Music

Community Stalls with children's activities

The Ashleworth Egg Throwing Competition

Grand Raffle Draw

to name just a few...

As always there will be other attractions, around the show field, to entertain the whole family

*** Please note that this is a **CASH** event so please bring along notes + coins*

*The above may be subject to change on the day ***

TIPS FOR SHOWING VEGETABLES AND FRUIT

These are RHS guidelines for producing and presenting the best specimens, (and are used for judging), but imperfect exhibits may be better than anyone else's and end up with a prize, so have a go!

Vegetables have been included in this list to allow for variety in Class E

Beans, broad – choose pods of even green colour.
Stage pods lengthways on a plate, stalks to one end.

Beans, dwarf – select for tenderness and quality rather than size.
Avoid fibrous pods. Stage in a line on a plate, tails to the front.

Runner beans - even size, with stalks attached.

Beetroot – stalks trimmed to 7.5cm (3") select for even size.
Round variety – tennis ball size. Long variety as parsnips.

Cabbages – choose solid heads of equal size with good waxy bloom. Remove only minimum of discoloured outer leaves.
Leave 7.5cm (3") stalk. Stage with heads to front.

Carrots – soak soil/compost before lifting to retain full root.
Select for uniform roots of good colour, avoid green round top.
Leave 7.5cm (3") stalk.

Cauliflower – stage with 7.5cm (3") stalk. Rim leaves to match level of outside of the curd. Protect from light with clean paper until judging.

Courgettes – select young, tender, shapely, uniform fruits between 10-15cm (4-6") long. Any colour. Stage flat.

Garlic – Select bulbs of even size. Specimens should be solid, clean, well-ripened bulbs with thin necks, dried stems of approx. 25mm. Roots should be removed for exhibition, and bulbs must not be divided into cloves. Stage on dry sand, preferably of contrasting colour.

Lettuce – lift with roots intact late pm /early am when leaves are turgid. Fresh heads, uniform colour. Wash roots, wrap in moist tissue paper and tie neatly in plastic bag. Wash inverted to remove soil from between leaves. Stage with firm heads facing front.

Onions – show as grown. Wash away soil carefully. Firm uniform size.

Onion Rope - 8 or more uniform-sized onions. Tied to a rope with natural material.

Parsnips – Soak soil/compost before lifting to retain full root. Choose straight roots, good length, evenly tapered, well developed. Wash carefully with clean water and soft cloth.

Peas – cut pods from vine with scissors to leave 7.5cm (3") stalk. Handle by stalk to avoid damage to waxy bloom. Hold pods to light to assess pea content and quality. Judges will open pods to check peas.

Potatoes – select medium sized (approx. 170g/6oz) equally matched tubers with shallow eyes. Choose size to lie neatly in palm of hand (round tubers) or neatly across palm (long tubers). Avoid skin blemishes from pest disease or damage. Wash in clean water using sponge or soft cloth.

Rhubarb – choose fresh, long, straight, tender stalks with well-developed colour. Cut foliage to leave 7.5cm (3"); forced rhubarb – leave intact.

Shallots – separate bulbs, dried, free of staining or loose skin. Cut roots to basal plate and tie/whip tops neatly with raffia.

Tomatoes – uniform, medium size (approx. 70mm/2.5"), firm set fruit with good colour and fresh calyx.

Fruit – neat, attractive presentation, symmetrically if possible. Pick berries with stalks intact and present in lines. Stalks and calyces should be green and fresh, pointing one way. Handle fruit by stalks to retain bloom. Select uniform fruits.

.....
